

Acupuncture Happy Hour

a non-alcoholic, stress reduction, body balancing experience

Iyashi Wellness at Casa De Tree!

Want to experience the real meaning of Happy Hour? Then come join Luriko Ozeki, licensed acupuncturist, at Casa De Tree where she'll be offering 20-minute ear acupuncture (or ear acupressure) sessions to help melt away your stress. And while you start to feel the amazing, relaxing effects of this ancient medicine, sit and sip on some soothing herbal teas and nibble on delicious organic, vegan snacks from Casa de Tree. Eating wholesome, organic food is nourishment for the body and acupuncture is nourishment for the soul. What kind of Happy Hour offers that?
